

REMARKS/ARGUMENTS

Applicants have amended the specification to reflect the claim for priority.

Applicants have amended the claims by canceling claims 17 and 18, which were elected in co-pending Application Serial No. 10/169,114, from which the present application claims priority. Thus claims 1-16 and 19-24 remain pending in the present application. Remaining claims 1-16 and 19-24 correspond to non-elected claims from Application Serial No. 10/169,114. Applicants urge that claim 1 is generic and that further election of species is not required at this time.

Should the Commissioner find that a fee is due for this preliminary amendment, authorization is hereby given to charge any such fee, except the issue fee, to Deposit Account 19-0733. If there are any questions the Examiner is invited to contact the undersigned at (202) 824-3119.

Respectfully submitted,

BANNER & WITCOFF, LTD.
